

Tendering for Government Business Workshop

Are you a regional Queensland business with an interest in bidding for government work?

The Tendering for Government Business Workshop is the Department of State Development's premier program which aims to improve industry understanding of government procurement principles.

This workshop will assist you to maximise your chances of competing for government and private sector work, including project opportunities.

The workshop comprises a 4 hour interactive session in which you will learn the art of developing and submitting a conforming and effective tender, including:

- the principles of government procurement policies and processes
- how to interpret and effectively respond to offer and tender documents
- where to look for current and upcoming tendering opportunities, and
- how to conduct market research to maximise your chances of success.
